

A Note Regarding the Financial Section of Pastors' Reports

Please review the total for Line A (Amount Raised for All Purposes) in comparison to Line 24 (Grand Total Paid for All Purposes) If the paid dollars are more than \$2,000 greater than raised dollars, please make a note on your printed report to explain the difference.

Also, Kansas City has instructed that Line A (Amount Raised for All Purposes) should be adjusted upward for the following:

- Individual Work and Witness expenses approved for 10% Giving and reported on Line 20a.
- "Approved Specials" donated by individuals directly to the General Treasurer with credit going to the local church (based on statements received from General Treasurer).
